Ways to use your stitching

- make a birthday card for a music lover (maybe your music teacher!) by patching the finished stitching straight onto the front of a single fold card, or use a tri-fold aperture card.
- create a bookmark as a gift by fraying the edges and patching onto felt or thick card, or you could stitch this directly onto Aida band and then back with felt or thick card

Customising the pattern

- the music notes can be any colour you like; switch to all black for a bold look or try using DMC Etoile threads for a bit of sparkle
- switch the backstitch to white and use black fabric for a totally different look
- stitch the recipients name underneath for a really personalised card or gift
