## Inspire me!

### Ways to use your stitching

- This sweet reindeer will make a quick and easy greeting card; just patch the design on to the front of a single fold card or use a pre-cut aperture card
- This small design will easily fit into a coaster blank to make gorgeous home decor to use yourself or give as a gift
- Use soluble/waste canvas to stitch a reindeer onto items of clothing or table linen to add a festive touch

### Customising the pattern

- You can stitch this reindeer in any 2 shades of brown you have in your stash
- Add a little sparkle by using red metallic thread or DMC Etoile C666 for the red nose
- This would look lovely stitched on a pretty coloured fabric such as a pale blue or snowy effect
